

Just Keep Swimming

Finding Nemo: The Musical

[DORY]

Hey Mr. Grumpy Gills
Life's full of little spills
Don't throw your fins up in disgust
Oh what's the use of floatin' there
Not going anywhere?
Swish your tail
And dive on in
And trust
That if you
Just keep swimming
Just keep swimming
Life isn't all that grim

[MARLIN, spoken]

Ugh

[DORY]

Just keep swimming
Just keep swimming
What do we do?

[MARLIN, spoken]

We swim?

[DORY]

Right!
La la la la la la la [x4]

[MARLIN, spoken]

No singing!
No singing, please!
Ugh! Now that song is going
to be stuck in my head!

[DORY]

Look! There's a shiny thing!
Hey, that looks interesting!

[MARLIN]

Please Dory, try to stay on task

[DORY]

It says P. Sherman, 42 Wallaby Way, Sydney
Hmm I guess it's nothing

[MARLIN, spoken]

No Dory, that's the mask!

[DORY, spoken]

Yay! We did it!

[MARLIN, spoken]

Yeah, but now what?
We don't know how to get there

[DORY, spoken]

So we follow our gut!

[MARLIN, spoken]

But-

[DORY]

Just keep swimming
Just keep swimming
Everything will be okay, see?
Just keep swimming
Move your tail and sure enough we'll find our way
Oh, sometimes things look bad
Then poof! The moment is gone
And what do we do?

[BOTH]

We just keep swimming on

[DORY]

To P. Sherman, 42 Wallaby Way, Sydney [x4]

[MARLIN, spoken]

Hello there! Yeah! Excuse me!
I'm looking for my son
Wait a minute! I'm trying to talk to you! Please!
Stop!
